TSUD/PUBLIC LIBRARY AGREEMENT WILL PROVIDE IMPORTANT COMMUNITY SERVICE

In true community spirit, the TSUD Library and the Houston-Love Memorial Library joined hands recently in an effort to better serve the people of the Wiregrass region. The two libraries have announced the implementation of a reciprocal lending agreement which will enable any person having an adult Houston-Love Memorial Library borrower's card to borrow materials from the TSUD Library and will reconfirm the borrowing privileges of TSUD students with the Public Library. Ms. Bettye Forbus,

Houston-Love Memorial Library Director, and Mr. Frank Walker, feel that this agreement will greatly enhance the educational and informational opportunities for students and Wiregrass citizens alike. Over 210,000 books and 1,100 periodicals are now available for students, professionals, or anyone wishing information. Thomas Harrison, President of TSUD, stated that this resource-sharing concept is consistent with the University's commitment to providing or enhancing services to the public in the Wiregrass re-

gion. The Public Library has a long tradition in providing resources to the public including TSUD students. Mr. Walker stated that the TSUD Library collection, with its strengths in literature, business, education, psychology, international studies, and other areas coupled with the Public Library's strong collection, should help meet the demands for information resources. Ms. Forbus said, "The sharing of resources among libraries is a necessity in this age of continuing information explosion."

MSPM TO BE OFFERED AT DOTHAN CAMPUS

Beginning Spring Quarter 1989, the School of Business will begin offering on a trial basis the Master of Science in Personnel Management (MSPM) at the Dothan campus. This program has been offered for several years at the TSUD Fort Rucker Campus.

In announcing the program, Dean Buchanan stated, "We know that many of our Fort Rucker students are Dothan residents, and this offering makes the program more accessible to those students. There are many persons living in Dothan who desire this degree but feel they cannot commute to Fort Rucker two nights each week." In addition, Dean Buchanan said that these course offerings make available to students in the Master of Business Administration program a very desirable graduate elective course.

DR. WILLIAM (BUD) BORDERS JOINS TSUD'S SCHOOL OF BUSINESS

Dr. Bud Borders joined the School of Business faculty on March 16th as an Assistant Professor of Management. Dr. Borders earned a Bachelor of Arts degree in biology and chemistry from Florida State University in 1968; a Master of Arts in social science from Pacific Lutheran University in 1974; a Master of Health Administration from Baylor University in 1978; and a Ph.D. in operations management from the University of Washington in 1983.

Prior to joining the TSUD faculty, Dr. Borders was on active duty with the U.S. Army serving as Director, Research Systems Division, United States Army Aeromedical Research Laboratory at Fort Rucker. He has been teaching for TSUD on a part-time basis for the past two years. He previously taught at the University of Washington, the University of Maryland, and Georgetown University.

Dr. Borders, his wife Charlene, and their two children, Kerry and Andrea, reside in Enterprise. Please welcome Dr. Borders to TSUD.

TSUD AEA CONTRIBUTES TO LIBRARY

TSUD's chapter of the Alabama Education Association recently donated a reference book to the TSUD Library. The book, Handbook of Research on Educational Administration: A Project of the American Educational Research Association, was donated in memory of Dr. Henry C. Davis, an Assistant Professor of Education at the TSUD Fort Rucker branch from 1970 to 1982. According to Mrs. Laurette H. Long, "We are extremely pleased that the TSUD chapter of the AEA chose our library for their community service project. The new book will be of great use to our faculty and students in education."

TSUD RECEIVES BOOK DONATION FROM LOCAL DAR CHAPTER

The Robert Grierson chapter of the Daughters of the American Revolution recently donated, A Roster of Revolutionary Soldiers and Patriots in Alabama, to the TSUD Library. DAR member, Mrs. Helen Cunningham, said of the donation, "The Robert Grierson chapter of the DAR wanted the people in the Wiregrass area to have a resource available that would help to enable them to trace their families' heritage if they wished." Mr. Frank Walker stated, "TSUD is most pleased to accept this generous donation from the members of the DAR. I am sure it will be of great use both to our students and to the people of the community."

Anyone or any group wishing to donate a book as a memorial to the TSUD Library should contact Mrs. Laurette Long at extension 209.
